UCS 2611 Internet Programming Lab

Exercise 2: Implementation of Conference Website using HTML & CSS

Aim:

Create your version of the website with the same contents but it should never be the same as the original website www.iccids.in. Apply your thoughts to improve the website into an appealing way.

Dr. Yanhui Guo, Associate Professor, USA, University of Illinois Springfield	Dr. Latha Karthika, CEO, Brandupwise Marketing, New Zealand	Dr. Sriram Kailasam, IIT Mandi

Editors

Learning Outcome:

- Learned to alter the font, color, size, and spacing of the content using CSS.
- Learned CSS rule cascading.
- Implemented CSS for various tags like div, body and a tag.
